London City Airport Landing Authorisation

After reviewing the information and data provided by your company it gives me great pleasure to inform CCF Manager that it is now certified to operate at London City Airport with the following aircrafts:

Registration	Serial Number	Type
DCCCF	550-0189	C550

Our team will be happy to assist CCF Manager in any way we can and we all look forward to welcoming you at the Jet Centre.

Do kindly note, London City is a PPR airport.

Yours sincerely
